next recall of that situation was that her father was somehow discussing what to do with the boy's body.

then explained that she witnessed a second homicide of a nine year old female whom she cannot identify. stated that she was approximately 12 years old at the time of this death. does not recall where the death took place or who took the girl's life. could only remember that she was in an office which to her at the time appeared to be a doctor's office and that a girl approximately nine years old was lying naked on an examining table. The girl had long dark brown hair. The girl appeared to be, in words, pre-pubescent. stated that she witnessed the girl being sexually abused and becoming very frenzied regarding this treatment, as a result of an individual began to what appeared to be stabbing the girl in the stomach and then she remembers the girl falling off the table and lying on the ground in an awkward angle. then remembers that there was some discussion as to what would be done with this girl.

stated that she believes her father was involved at the time in a pedophile or child abuser's ring. She stated that her father recruited members for this ring from his associates and from members of ST. JOSEPH'S CHURCH which is located in Dexter, Michigan. She stated that at the time her father was employed at as [redacted] in Ann Arbor, Michigan. further stated that there was an individual whom she cannot identify residing in Ann Arbor who was the ring leader for this particular organization of people. She stated that the only thing she can recall is that he was a very prominent and powerful person in the Ann Arbor community. She stated that he was a very large man with dark hair and possibly a beard. also advised that [redacted] date of birth

Richard

, telephone number also molested her and had sexual intercourse with her up until she was 18 years of age. She stated that there was also an individual identified as who owned and operated a practice on Main in Dexter, Michigan. According to performed an abortion on her sister, who was pregnant with their father's child. stated that her father forced her to watch this abortion with the plan that if was sufficiently shocked at this situation she would not become pregnant.
